## **DETAILED ACTION**

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: Amended claims 1-4, 6-19 have been found to be allowable since while the prior art teaches an exposure apparatus and having a detection unit for obtaining the information of an image of an alignment mark form on a substrate for the purpose of alignment between the reticle and the substrate but the prior art either alone or in combination, neither discloses nor makes obvious the combination of an exposure apparatus and corresponding method, along with an acquiring system, a determining unit for determining the value of the parameter to be set in the exposure apparatus based on reproducibility of the image of which the information of an image of an alignment mark formed on the substrate, has been acquired with respect to each of the plurality of values of the parameter of the acquiring system, as recited in the instant claims of the present application. Applicant's arguments filed January 7, 2005 are persuasive and incorporated herein by reference.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Prior Art Made of Record***

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Art Unit: 2851

Ian et al discloses a position measuring method and position measuring system, and has been cited for technical background.
